He will be heading to the next set of jumpouts. It's not too late to grab yourself a share and be heading to the races as an owner in the next month!!

PARISIAN POPPY WINS JUMPOUT

Parisian Poppy showed she was a quick learner by winning her second jumpout by a number of lengths. She was ridden by Rosie Myers who reported that she was a true professional, she was really impressed with her attitude. Following her jumpout she was just starting to have a few growing pains so we opted to give her a short break out at Goodwood Stud. She has returned to the stables this week and will resume her raceday preparation.

Voralto

After being late scratched at Tauherenikau for being fractious in the gates Voralto has taken a while to find form. But I think we can safely say that she is hitting her straps now that she is getting up over further distances. With the added addition of blinkers this week we will be heading to Trentham on Saturday with a bit of confidence in our stride. Voralto will be ridden by Sarah MacNabe with the added benefit of her 2 kg claim.

The Tavistock x Zambezi 2 year old filly has just finished her month long spell out at Milton Park Stables. She has resumed pre-training this week and will do around three weeks there prior to heading into full work at Mike's stables. She is from the Hallmark family of Goodwood & Fairdale Studs. Her pedigree is top class and her residual value has the potential of reaching the top.

Shares are \$6312.50 per 5% Ownership share this also covers all costs up until the 1/11/2020. For more information check out www.intowin.co.nz

Khalfani

Khalfani has returned to the stables this week and has done exceptionally well while spelling at Wellfield Lodge. This break looks as though it was just what she needed, sometime to grow and strengthen up. We have seen she has the ability and now she has the strength in her frame to carry it all out on raceday. She will be looking to be back at the races sometime in May. Please note the photo to the left is from prior to her spell.

TAVISTOCK X ZAMBEZI 2 YEAR OLD FILLY

LAST BUT NOT LEAST THE STAR OF THE SHOW COLORADO STAR

Leah Hemi and Colorado Star were both all smiles following his last jumpout in preparation for this Saturday's start in the Rating 72 1200 mtr race at Trentham. Leah has an engagement to ride at Ellerslie this Saturday so Rosie Myers will be happily taking the reins. Colorado Star has come back looking a treat and we are expecting a bold run from him first up. He has not been wound up for his debut this time in but I am sure his natural ability will give us all a good run for our money! Colorado Star's Jockey will be wearing a black arm band to honour the passing of his top fan and owner Simonne (Bobbie) Fearon.
